Violet Blue Memorabilia Sale

Source: Letters to the Editor

by: Violet Blue

Work is slow... So, I'm selling some of my stuff if anyone is interested. I have school girl skirts, panties and bra sets, shoes (my converse are already sold) and dildos that I've used in videos and photo shoots.

Soooo, if you have a favorite photo shoot of mine that you might like to have an item from, let me know and I'll check and see if I still have it. You can email me directly at violetblue418 at Yahoo dot com. No, I'm not selling my pentagram...

If you'd like an autographed picture, please send a SASE to:

Violet Blue

P.O. Box 171,

Pacific Beach, WA 98571

If you want a particular picture, you can email me that image and include \$20. Otherwise you'll get what I've got stacked up, which are usually DVD inserts.
